## New Doctor Plans To Locate In Canal Point January 15

A new physician will be located in Canal Point ready for practice on Jan. 15, according to Arnold Barad of the Canal Point Pharmacy. Mr. Barad said yesterday that plans have been completed for Dr. Salvador Williams to open an office in the Pharmacy on that date.

The new doctor with his wife and little daughter will live in the home on the Townsite in Canal Point to be vacated by Mr. and Mrs. G. A. Andrews who are moving into West Palm Beach.

Dr. Williams was in the West Jersey Hospital in Camden for two years; in the Wilmington General Hospital in Wilmington, Delaware, before going to the St. Mary Hospital in West Palm Beach. He will come to Canal Point from the Ohio Valley General Hospital in Huntington, W. Va.

Dr. Williams and his family will arrive in Canal Point on Jan. 12, Mr. Barad said.

## Dave Cunningham Returns To His Home

Pahokee Councilman D. W. Cunningham, who has been receiving treatment for gunshot wounds at Good Samaritan Hospital, West Palm Beach, following a recent hunting accident, was able to return home from the hospital Sunday.

The New Royal Palm, luxury train operated by the Florida East Coast Railway recently went into service between Miami and the Great Lakes region.

## David Unwin Has Leading Sales Record

D. W. Unwin, Pahokee-Canal Point representative of Gulf Life Insurance Company, Jacksonville, has been given special recognition for making a leading sales record during the past year. As one of the company's leading salesmen, Unwin will receive a week of special training in Daytona Beach next spring.

## Eastern Star Will Install Officers

Eleven elected officers of the Pahokee Chapter, Order of Eastern Star, will be inducted at an open installation ceremony to be held in the Masonic Hall Friday night, Jan. 4, with Mrs. Iva Snyder, past matron of the chapter to act as installing officer.

The new officers are Mrs. Ruth Carpenter, worthy matron; Homer Barnes, worthy patron; Mrs. Hulda Wilson, associate matron; J. G. Weeks, associate patron; Mrs. Eleanor Holden, secretary; Mrs. Ila Howell, treasurer; Mrs. Gladys Harrington, conductress, and Mrs. Mattie Lou Keen, associate conductress. In addition, new officers appointed by the new worthy matron will also be installed.

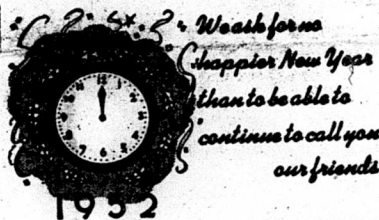

The chapter held its last meeting of the year on Thursday night of this week, with Mrs. Mabel Young, retiring worthy matron, and Malcolm Millar, retiring worthy patron, presiding. Mrs. Jennie McKinstry, Mrs. Kathryn Ammons and Mrs. Lucy Ogle were on the hostess committee in charge of serving refreshments.

## Rardin Ends Year As Head Of Board

County Commission Chairman Paul Rardin, who Wednesday wound up his 1951 term as board chairman, praised the press and radio coverage given the commission during the past year, declaring that "an informed public is an understanding and a cooperative public."

Mr. Rardin continued that "there's a general favorable attitude on the part of the public toward the commission, which I believe can be attributed to the news, paper and radio representatives, who have given us splendid coverage during 1951."

The commission will meet again on Jan. 7 at which time a new chairman will be elected, Rardin said. The custom has been for the past few years to rotate the chairmanship. Kenneth Foster is winding up his term as vice chairman.

## Prizes Awarded In Tree Lite Contest

The home Christmas tree lighting contest sponsored by the Pahokee-Canal Point Garden Club was judged Saturday night by a committee of out-of-town judges and potted tree fireball pointsettias were awarded as prizes to three winners.

Mr. and Mrs. Leo Maxwell received a prize for the most beautiful Christmas tree lighting; Mr. and Mrs. Jess M. Elliott, for the most original, and Mr. and Mrs. Wade Ammons, for the most outstanding.

Tree lighting arrangements receiving honorable mention included those of Mr. and Mrs. J. C. Mock, Mr. and Mrs. George Ramey, Mr. and Mrs. J. H. Lynn, Mr. and Mrs. Frank Rozelle and Mr. and Mrs. G. C. McClarty.

During National Employ the Physically Handicapped Week, the State Employment Service placed 783 physically handicapped persons in jobs through the cooperation of the Vocational Rehabilitation Division of the State Department of Education.

## Legion To Sponsor New Year's Dance

The American Legion in Pahokee is sponsoring a New Year's dance in the new Legion building, according to Legion officials. E. Brown and his orchestra will furnish music for the gala affair and an admission of \$3.50 will be charged.

## Rotary Club Has 2 New Members

Rev. Hal Hunter, new pastor of the Pahokee First Baptist Church, and Sam Berry, owner-manager of Berry's Funeral Home, were welcomed as new members of the Pahokee Rotary Club at the Thursday luncheon meeting last week.

The club held its annual Christmas party and program during the luncheon. Featured on the program was the singing of carols by the Harmony Quartet of the Pahokee Chapter, Future Farmers of America, composed of Charles McCurdy, Bobby Schroder, Dick Atkins and Millard Stanley. There was an exchange of gifts, with Santa Claus distributing the presents from a decorated tree.

## Canal Point First Town In County To Top TB Seal Sales

Booth sales boosted the total reported receipts of the 45th Annual Christmas Seal Sale to \$19,138.54 at the end of the fifth week, according to A. Parker Bryant, County Seal Sale Chairman. Total booth receipts reported are \$1,519.13. Several towns in the county have not reported booth returns to date.

Reported collections, including booth sales, from towns throughout the Glades are as follows: Pahokee — \$206.00; Belle Glade — \$611.95; Chocoma — \$18.00; Lake Harbor — \$12.00; Canal Point — \$119.00; Pelican Lake — \$6.00; South Bay — \$56.50 and Bean City — \$2.00.

Canal Point is the first town in the county to exceed its total of last year. 1950 returns from Canal Point were \$116.37 as compared to \$119.00 to date for 1951.

Ernest L. Abel, President of the Association, urges all those persons who have not answered their Christmas Seal letter to do so as promptly as possible, since the Association's ability to have an effective anti-tuberculosis program in Palm Beach County next year, depends on the response of the people.

## Funeral Services For Mrs. Griffith

Funeral Services for Mrs. Ada Griffith, 83, of Lake Park, former Canal Point resident, were held at the graveside at the Woodlawn Cemetery Wednesday, Dec. 26, at 2 p. m., with Rev. C. J. Smyly, pastor of the Canal Point Baptist Church, officiating.

Mrs. Griffith died at a West Palm Beach hospital Tuesday morning after a long illness. A native of Tennessee, she lived in Canal Point for 20 years before moving to Lake Park about a year ago.

She is survived by a daughter, Mrs. M. D. Geiger, of Canal Point; two sons, T. W. Griffith, a former Canal Point resident now living in Winter Haven, and Dan Griffith of St. Petersburg; three grandchildren and one great grandchild.

Berry's Funeral Home was in charge of arrangements.

The state's newest tourist attraction, the Florida Citrus Museum, will be formally opened to the public on January 15, and the dedication will be staged during the Florida Citrus Exposition, February 18-23.

## News Notes From State Capital

TALLAHASSEE—If you read a sign "Bad Dog" or anything approaching those words, and then get bitten by the bad dog, the supreme court of Florida says it's just your hard luck. You ought to believe in signs. The law gives the dog owner protection against suits by visitors who make the mistake of not reading or not believing such signs. So declared the court in dismissing a lower court action awarding a judgment of \$3,500 to S. Barr Berman because he was bitten by a dog owned by Marie Romph, although a sign "Beware of Dogs" was plainly visible in the Romph yard.

TALLAHASSEE—A county tax assessor must accept the decision of the county commissioners sitting as a board of tax equalizers, said the supreme court, in requiring Franklin county to make a \$200,000 slash in property valuations. The assessors had placed values on two tracts of wild land which the board of equalizers held was excessive by at least \$200,000. The assessor refused to back down, and financial chaos threatened, he said, "are going hog-wild on the highways." Numerous one-car accidents, he added, mean only that the drivers are reckless or speeding or both.

TALLAHASSEE—First complaint against a person for hindering state forest fire fighters has been filed in Holmes county. J. P. Schuck, chief investigator for the Florida Forest Service, said the complaint has been filed against Arcody Bowers of Westville, charging him under the 1951 law with assaulting the forest ranger trying to put out a fire. He can get three years in prison or \$1,000 fine or both.

TALLAHASSEE—This capital city has stayed in the dry column by 408 ballots, the dries winning in a local option election 7,400 voters. Prohibition has been here since 1904. As a result of this election, county officials actually dried up the county, serving notice on a number of "providers" that the old policy had changed—no more fines in lieu of licenses. ended the county. The court said it failed to find any improper rela-

tions between the parties, as charged by the assessor.

TALLAHASSEE—Reubin J. Clein, Miami publisher and long interested in the work of the blind, has been appointed a member of the Florida Council for the Blind. Members receive no pay. They work with the state welfare board in administering the funds for the state aid to blind persons.

TALLAHASSEE—The state advertising commission has registered its millionth inquiry, asking for information about Florida as a place where the writer could spend his honeymoon. The agency is now in its sixth year, and devotes its budget entirely to out of state advertising, to bring people to Florida. Beverly Grizzard is the acting director.

TALLAHASSEE—A new record was set for 1951 by those who died on its highways. In spite of an intensive drive for highway safety, 811 persons have died as a result of highway accidents, three more than at the same time a year ago. Director H. N. Kirkman of the state highway patrol pointed out that the most dangerous season is just ahead—the holidays. Motor

## Royal Service

The W. M. S. of the Pahokee Baptist Church had its monthly Royal Service Program and Business meeting at the Church, Monday afternoon, December 17th.

Mrs. Joe Thompson was in charge of the program entitled "Where Advance". A Christmas snow scene was used with a home, Church and tree.

Those on the program were: Devotion—Mrs. Claude Shirley, Advance we must—Mrs. Horace Unwin, Advance in the Nation—Mrs. Joe Thompson, Advance in our Church, homes and business—Mrs. Hal Hunter, Advance heart and life—Mrs. W. A. Keen, Mrs. H. L. Speer was in charge of the business meeting.

"A Fabulous American Riviera" is the phrase used by author Budd Schulberg in an article about Florida's Gold Coast, which appears in the January issue of Holiday Magazine.

## Road Dept. Plans Lauderdale Project

TALLAHASSEE—The State Road Board last week gave final approval to a \$17,000,000 Fort Lauderdale traffic bottleneck relief project that includes two tunnels and 10 bridges in Broward County.

The road board asked the improvement commission to take the necessary steps towards floating a \$15,000,000 bond issue which, with a \$2,000,000 contribution from the road department, will finance the tunnel-bridge project.

As approved by the road department, the project will include tunnels under the New River at U. S.

No. 1 and Las Olas Boulevard in Fort Lauderdale, a new bridge and causeway at South west 17th Street, a new bridge at Davis Boulevard and replacement of the present single lane span at State Road 84, all in Fort Lauderdale, and bridges at Oakland Park, Deerfield, Hollywood, Dania, Hallandale, Pompano and Hillsboro Inlet in Broward County.

The plan calls for 30-year bonds to be paid from Broward County's share of the surplus gasoline tax and revenues from tolls for use of the Las Olas tunnel and the Southwest 17th Street bridge.

Chairman Alfred McKethan said the road department had studied the project a long time and believed it to be one of the soundest ever undertaken in the state.

A total of 235 yearlings are stabled at Gulfstream Park, waiting the March 4-April 18 racing season. It is the greatest colony of babies in the history of the seaside track.

### THE U. S. DEFENSE BONDS YOU BUY GIVE YOU PERSONAL FINANCIAL INDEPENDENCE

Remember that when you're buying Defense Bonds you're building a personal reserve of cash savings. Money that will some day buy you a house, or educate your children, or support you when you retire. Remember, too, that if you don't save regularly, you don't save at all.

So go to your company's pay office—now—and sign up for regular Defense Bond purchases through the Payroll Savings Plan. In this plan, you may save as little as \$1.25—or as much as you want—each week. If you can save just \$7.50 weekly, in ten years you'll have bonds worth \$4,329.62 cash! You'll be helping protect America—and helping your dreams come true.

# WE ARE IN STEP WITH THE TIMES

It is no small task to record each week the happenings of any community. We here at The Everglades News are happy that our assignments bring us face to face with hundreds of folks of our community each week. We strive to **KEEP IN STEP** with what is going on here in this vast agricultural area on the eastern shore of Lake Okechobee. It gives us a great deal of pleasure to record for you weekly (and for posterity) the happenings of a growing section of Florida. Future generations will thrill when they read of the pioneering efforts of you and your loved ones in establishing a great agricultural empire.

**KEEPING IN STEP** with the times means that we must be on our toes day in and day out—making an earnest effort to record those things which are interesting, historical, progressive and at times amusing. All such happenings go toward making up a worthwhile and happy community where living is just a mite better than in thousands of other places in America—where your neighbor's smile is just a mite friendlier than is witnessed elsewhere in this great land of ours.

## Plymouth's Cranbrook Four-Door Sedan for '52

Here's the new Plymouth for 1952, a more beautiful, smoother operating, easier riding, safer car which features 46 important improvements. There is new beauty in the car's road-hugging, sweeping appearance, and color harmony perfection in the new interiors, which are Tone-Tailored with quality fabrics. The luxurious interiors blend beautifully with the exterior colors. The car has all the features for comfort, economy, safety and durability which have become traditional with Plymouth. Shown above is the new four-door Cranbrook sedan.

## Smooth, Easy Performance Featured in New Plymouth

The new Plymouth for 1952 will go on display in dealer showrooms throughout the United States, Friday, January 4.

A long list of improvements—46 in all—has been incorporated in the engine, the brakes, the electrical system, the chassis, and to the inside and outside of the body.

The new car, according to D. S. Eddins, president of Plymouth, has been improved and refined to provide "the most gentle ride, the smoothest engine performance and the greatest safety ever built into a car for the lowest price field."

Exceptional engine smoothness is produced through a newly designed combustion chamber; brakes are stronger and longer-lasting; Plymouth's famous Safety-Flow ride has been made even more comfortable by improvements in the springing and to the Oriflow shock absorbers; and the car's beauty is enhanced by numerous styling refinements.

The Plymouth has a road-hugging, sweeping appearance, accentuated by changes in the external adornment. A new luxurious standard for interiors is attained with the high quality upholstery fabrics in harmonious colors which blend beautifully with the instrument and door panels.

The smart hardtop club coupe, the Belvedere, is the pace-setter in the lowest price field with its new concepts in styling and beauty. The car has glistening, lively two-tone colors which set it apart and give it the continental look. The color used on the roof follows the Belvedere's streamlined contours around the spacious rear window and down over the rear deck. Sparkling chrome molding outlines the top and carries back to separate the two colors at their junction at the rear quarter panel. Interior of the Belvedere is luxurious, with colored quality fabrics and vinyl blended in perfect harmony with the shades used on the exterior. Long-wearing carpeting—also in complementary colors—rounds out the ensemble. The following color combinations are available for the Belvedere: Suede Tan with Sable Bronze top; Belmont Blue Polychromatic with Sterling Grey top; Mint Green with Black top.

Passenger and driver comfort has been increased with improvements to Plymouth's "Safety-Flow ride." New cushioning-type ports in the Oriflow shock absorbers, increased travel in the front springs and a new interliner for the rear springs provide quieter operation, reduced

There are ten body types in the new Plymouth line, available in an array of eight regular, and two special sparkling new colors. The traditional interior roominess and the many "high-priced car" features which Plymouth has been distinctive have been retained throughout the new line.

### SMOOTH PERFORMANCE

A new, smoother flow of power results from the newly designed combustion chamber in Plymouth's famous floating power engine. The six-cylinder, 97 horsepower engine has a 7 to 1 compression ratio. Longer life for both the main and rod bearings is achieved through an improved type of base metal.

To further insure smoothness of performance and faster getaway, several refinements in the new Synchro-Silent transmission permit faster, easier shifting, and more rapid and positive engagement of gears. The rear axle is improved, and there are provisions which permit more accurate gear and bearing adjustments.

Operating temperatures up to an additional eight degrees without the hazard of losing water or anti-freeze result from further improvements to the pressure-vent radiator cap, which provides a pressurized cooling system.

### STURDY BRAKES

The traditionally sturdy Safe-Guard Hydraulic brakes have been given greater ease of operation, and much longer life. New Cyclo-brake linings provide greater braking area and longer braking life. There are heavier backing plates on both the front and rear brakes; an improved drum design on the front brakes for smoother operation and better cooling; an easier operating brake pedal return spring; and a redesigned steering knuckle to provide more positive protection from road splash.

Fort Myers. They were accompanied home by their nephew, Williams Corbin, who will be their guest for a few days.

Mrs. Ruth Wood was the guest of her son-in-law and daughter, Mr. and Mrs. Charles A. Baker, in West Palm Beach Monday night and Tuesday.

steering wheel shock, less friction and an improved ride.

Quicker starting in hot or cold weather with less drain on the battery is assured by the new "Follo-Thru" anti-kickout feature of the starter, the foremost among numerous changes in the electrical system. Greater visibility under adverse driving conditions is provided by a ten per cent increase in the speed of the electrically-operated windshield wipers.

### BEAUTIFUL STYLING

Luxury and color harmony are the keystones of the beautiful upholstery and trim selected for the new Plymouth. A fine selection of long-wearing, quality fabrics is available in shades which blend beautifully with the car's exterior colors. An attractive "Lustre-Tone" instrument panel features controls which are conveniently grouped and instruments which are colored and lettered for easy reference while driving. Newly designed to further beautify the Plymouth are the ornament, the top molding, and the medallion on the hood, and the license light and name plate on the rear deck lid. The sweeping, low appearance of the car is further accentuated by the lowering of the rear fender molding.

Solex tinted safety glass is available throughout the Plymouth line as optional equipment at small extra cost. The glass reduces interior temperatures on hot summer days, minimizes fading of upholstery or seat cover fabrics, and reduces sun-glare.

Among the many features which have been retained in the new Plymouth are the wide, deep chair-height seats, the ease of entrance and exit, the combination ignition and starter switch, automatic electric choke, super-cushion tires, and safety-rim wheels.

There are ten body types in the new Plymouth line: the Concord series includes a two-door sedan, a three-passenger coupe, and the popular all-metal Suburban, and its country car cousin, the Savoy; the Cambridge series has a four-door sedan and a club coupe; and the Cranbrook series includes a four-door sedan, a club coupe, a convertible club coupe, and the pace-setting Belvedere.

Poteete, in South Carolina, arrived in Pahokee this week to spend the remainder of the holidays with her mother, Mrs. Frank Friend, and family.

Grady Echols returned to his home in Canal Point Monday from the Good Samaritan Hospital, West Palm Beach, where he received treatment for a few days.

Peggy Lynn Shirley left on Thursday of this week to spend the holidays with her grandfather, Dr. C. H. Willoughby, and other relatives in Gainesville.

## Cinematic Chatting

By Malcolm Millar

The time is coming when the Crosby-Hope combination will run out of roads and may be put to a lot of trouble selecting other names for their hilarious shows. Latest of the "road" shows to star these two is "Road to Bali", but, as I get it, Dorothy Lamour will not be taking the "road" with them. I haven't learned who is the feminine star of the piece. Jerry Lewis recently completed three home movies for the amusement of friends. Jerry titled them: "Fairfax Avenue", Son of Spell-bound and "Lifeboat Returns." They say these three, under the direction of Jerry himself, really are lollies. Newest picture for the Lewis-Martin will be "A Streetcar Named Repulsive." YOU KNOW WHAT IT WILL BE! Rhonda Fleming has invaded merrie old England to appeal to a benefit show for the National Playing Fields Association and the show was a howling success, bringing in a "jolly fine bagful of shillings, y'know." Just when everyone is sure that "unpredictable" Shelly Winters has really fallen for this newcomer, Vince Edwards, Shelly up and resumes her friendship with her old flame Sidney Chaplin. Meanwhile Farley Granger, Shelly's old boy friend, is concentrating his attentions on starlet Geraldine Brooks. IF YOU COULD SEE THAT GALL! It will be hard for Farley to concentrate on anything else when she is around. May the New Year bring Joy, Health, Prosperity to your family and Peace to the World! See you at the movies—Mal.

## Sorority Plans

Members of the Beta Omicron Chapter of the Beta Sigma Phi Sorority held their annual Christmas party at the home of Mrs. Edward A. Jensen on Thursday night of last week. Members brought potted plants to the party for the School for Exceptional Children and "secret sister" gifts were exchanged.

Cpl. John T. Pickett, Jr., USMC, who is stationed at Key West, spent Christmas Eve with his parents, Mr. and Mrs. J. T. Pickett, in Pahokee.

## Christian Science Group Of Canal Point

The Science by which the inspiring forces of Christianity can be successfully applied in daily life will be dealt with in Christian Science services next Sunday. The subject of the Lesson-Sermon is "CHRISTIAN SCIENCE."

The Golden Text is from Isaiah (40: 5): "The glory of the Lord shall be revealed and all flesh shall see it together: for the mouth of the Lord hath spoken it."

Readings from the Bible include Paul's admonition to Timothy: "Study to shew thyself approved unto God, a workman that needeth not to be ashamed, rightly dividing the word of truth" (II Tim. 2: 15).

Correlative passages from "Science and Health with Key to the Scriptures" by Mary Baker Eddy include: "Christian Science, understood, coincides with the Scriptures, and sustains logically and demonstratively every point it presents. Otherwise it would not be Science, and could not present its proofs" (p. 358).

There was considerable wisecracking at the Hialeah unloading platform recently when five California-bred yearlings arrived for racing in Florida this Winter.

## Morality Is Sited Government Workers

TALLAHASSEE—Two state officials referred recently to the let-down in governmental morality and the dangers of Communism in talks to some 20,000 State Department of Agriculture workers holding their annual conference here.

Secretary of State E. A. Gray declared: "This is a time when we ought not to forget the fundamentals of government. If we find wrongs in government, let's not condone them, but take steps to correct them."

State School Superintendent Thomas D. Bailey declared that if Communism Socialism and the welfare state come to America, "they won't come through the public schools."

Agriculture Commissioner Nathan Mayo urged the delegates not to talk politics during the conference.

At Canal Point Christmas eve was a gala night. The women appointed a committee to get a tree. Mrs. Charles Baker headed the committee and from the depths of the woods secured a long needle pine of good proportions. This was placed in the park on the bank of the canal and well fastened. It was then decorated with an ample supply of colored electric lamps and tinsel. Through the courtesy of the publisher of The Everglades News current was supplied at sunset and the tree made a very attractive picture upon the Canal bank.

## Defense is your job, too!

Reflecting brilliant factory lights like a myriad glimmering stars, these masterpieces of American industrial design are in reality plastic plane noses awaiting inspection. They will play an important part in America's preparedness program; they are the tools of the U. S. Air Force in its job of defending you.

Defense is your job, too. And one of the best ways you can carry out your part is by making your family and your country economically strong. Buy United States Defense\* Bonds now and buy them regularly. Go to the pay office where you work and sign up for the Payroll Savings Plan, or join the Bond-A-Month Plan where you bank. Do it today!

★ ★ ★

### The U. S. Defense Bonds you buy give you personal financial independence

Remember that when you're buying Defense Bonds you're building a personal reserve of cash savings. Money that will some day buy you a house, or educate your children, or support you when you retire. Remember, too, that if you don't save regularly, you don't save at all.

So go to your company's pay office—now—and sign up for regular Defense Bond purchases through the Payroll Savings Plan. In this plan, you may save as little as \$1.25—or as much as you want—each week. If you can save just \$7.50 weekly, in ten years you'll have bonds worth \$4,329.02 cash! You'll be helping protect America—and helping your dreams come true.
